ADVICE FOR WATER ACTIVITIES

Certain medical conditions and medications may exclude some people from introductory and certified diving. For advice please contact our office. Minimum age for diving is 12 years old. Snorkelling can be a strenuous activity, please use caution and inform our crew of any medical conditions. Certified divers must have proof of certification. After a single dive, a wait of 12 hours is recommended before ascending to altitude or if multiple dives are completed, an interval of 24 hours is suggested.
